**WORK EXPERIENCE**

**Union Design**

New York, New York

July 2008–present, full-time graphic designer

Union Design is a multi-disciplinary firm that specializes in marketing for property developers and architects. Work closely with design director and clients to design print collateral, identities, websites, signage, presentations and advertising. Prepare work for production and manage vendor relations and student interns.

**Freelance**

Winter 2008–present, graphic designer

Work for a variety of individuals and small companies with small projects in need of design help. Clients include Tetra String Quartet, Jenna Dalbey and Fabric Farms Interiors.

**Wood Design**

New York, New York

September–December 2006; March–June 2007, full-time design intern

Wood Design is a small design firm which handles all design and communications for Louis Dreyfus, an diversified international group as well as numerous smaller clients. Worked under art director to design print collateral, identities, websites, signage, and packaging. Managed client and vendor relations and prepared work for production.

**Kate Keating Associates**

San Francisco, California

March–June 2006, full-time design intern

Kate Keating Associates is an environmental graphics firm specializing in civic, corporate and educational signage. Implemented sign standards and assisted designers in creating sign schedules and plans, as well as on-site visits. Designed maps for use in various signage.

**ChaseDesign**

Skaneateles, New York

March–June 2005; September–December 2005, full-time design intern

ChaseDesign offers consultation and design development services. Worked with design teams to develop packaging, print collateral, signage, and identity concepts. Assisted designers by mocking-up packaging, creating floor plans for retail space, and finalizing files for production.
